DISCOVER NEW POSSIBILITIES WITH PERSONALISED TRANSMITTERS

We can print your logo to photographic quality and a never before seen level of detail.

Now companies of all sizes, from large corporations to high street retailers, can have personalised transmitters printed with their own logo from a minimum run of just 100 units. Choose from a range of different colours including : clear ice white, vineyard red, sunrise yellow and deep sea blue, the latter also available in the two channel version.

Serial numbers can also be added to the transmitters for large hotels or apartment buildings.

For more information, contact your preferred distributor and enhance the visibility of your brand with a personalised transmitter.
